

Principal's Corner

Dear Theodorians

“Let us remember: One book, one pen, one child, and one teacher can change the world.”

Malala Yousafzai

We certainly have more than one book, pen, child and teacher at Theodor Herzl Schools! The end of the 3rd Term beckons in three- and - a half week's time. Time has flown. This has been a fast-paced and productive term, from which so many positives can be taken.

I thank you in anticipation for your involvement in the on-line survey, and encourage you if you have not done so already, to complete the survey. It should not take you longer than 10 minutes to do so.

The past week has seen Theodorians (past and present) in the limelight. **Kasvia von Memerty** was selected to sing the National Anthem at the Springboks vs Argentina Ruby match last weekend, while **Roxanne Willemse** (Grade 12), **Hector Palacios Ricaldi** and **Nagasaathvik Mysore** (both Grade 11) represented Theodor Herzl at The Herald Inter Schools Quiz - the first time it has been held in ten years.

Theodor Pre-Primary “Theodorables” will be hosting an informal Open-Day for prospective parents/children in the coming weeks. It gives our Pre Primary staff the perfect opportunity to tell and show parents the magical world which is Theodor Pre Primary - where children can be children.

We are proud to announce our High School Prefect Leadership team for 2021/2022:

Jordan Ah-Shene (Head Prefect), **Tolu Olowookorun** (Deputy Head Prefect), **Nagasaathvik Mysore**,

Wallace Tendaupenyu, Thaakirah Bickoo, Raine Barclay and Litha Ngqabayi.

The following easy-to-read article by Niki Bush, a well-known educationalist in her blog article “the stability pyramid for kids” is a valuable one. The tips and advice are appropriate for any age. <https://nikkibush.com/the-stability-pyramid-for-children/>

I wish you a good weekend and week ahead.

High School News

The prefects have chosen a rainbow to represent their mission for 2022. A rainbow symbolises unity and diversity. Our school is made up of many different people from different cultures and backgrounds. A rainbow represents the unity they want to emphasise and promote in our school. There are 7 colours in a rainbow and 7 letters. There are also 7 prefects. Each prefect has chosen a letter and word to represent what he/she wants to promote in our school. **Respect Approachable Inspire Nurture Bravery Opportunity Welcome**
